

**CALL for
excellence scholarships application
for international master students
of ISAI graduate program
Academic year 2022-2023**

PSL's ISAI¹ graduate program is opening a call for excellence scholarships application. This call is dedicated to international master students (M1, M2) enrolled in one of the following ISAI masters' programs:

- Master Energy
- Master Materials Science and Engineering
- Master BioMedical Engineering Paris (except MCB track)
- Master of Nuclear Energy

These merit-based scholarships cover the 2022-2023 academic year. Their amount is up to 1000€ per month for up to 10 months (September to June)

Eligibility criteria:

The call is restricted to master students:

- applying for one of the above-mentioned masters' programs with a registration at one of the following institutions of PSL: MINES Paris, Chimie ParisTech, ESPCI Paris
- of foreign nationality
- in France for less than one year as of September 1st, 2022.
- who do not receive any other type of scholarship from France or foreign countries whose amount exceeds 650 €/month

Selection criteria:

The main criteria for awarding the scholarship will be academic excellence, research experience and motivation for developing a research project in the scope of one of the main topics of the graduate program: Energy transition, Sustainable development, Health, Sustainable mobility, Issues in innovation, Digital transition.

Re-evaluation of the scholarship amount during the second semester:

The amount of the scholarship paid in the second semester during the months of internship will be reconsidered according to the material conditions of the internship.

The scholarship will no longer be granted during the internship period if the internship is done outside a French academic Lab.

Start / Withdrawal of the scholarship:

¹ ISAI : Ingénierie, Sciences Appliquées, Innovation

The scholarship will be paid after the arrival of the student in France to attend the Master's program.

The scholarship will be stopped in case of lack of assiduity to lectures.

Application Procedures:

Applications must be uploaded, in PDF format and as a single file, until **May 1st, 2022** to the following web page

<https://framaforms.org/graduate-program-isai-psl-scholarship-application-1625562901>

The pdf file must include:

1) A motivation letter detailing the adequacy of the applicant's scientific interests with those of the PG ISAI, and the reasons why the candidate would particularly need this scholarship to carry out his/her studies in one of the above-mentioned masters' programs of PSL University.

3) A CV

4) Transcripts of undergraduate grades, and for M2 Applicant their M1 transcripts.

The selection committee will be composed of the heads of the above-mentioned masters and of the ISAI graduate program. The committee will rank the applications based on the academic excellence. The jury's decision will be published on the web site of the ISAI graduate program on May 17th 2022. <https://psl.eu/programmes-gradues/programme-gradue-ingenierie-isai>

Students selected by the committee will have 8 days to accept or decline the scholarship. If students fail to respond within this timeframe, they will be deemed as having refused the scholarship. If declined, the scholarship will be proposed to the next ranked applicant.
