The Université PSL represented by Alain Fuchs, its President, fully endorses the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers.

The Université PSL hereby declares its commitment to further implement these principles via the Human Resources Strategy for Researchers (HRS4R).

Our institution welcomes and supports the initiative of the European Commission to ensure a supportive research environment for researchers on mobility.

By implementing the Charter and Code principles, our institution aims at contributing to further develop the European Research Area and at attracting the most outstanding researchers within it and beyond.

Best regards,
